“ I did not know your daughter personally, but I knew several of her friends. My heart goes out to you all now as you say good-bye and figure out how to go on from here. Let the tears, smiles, hugs, laughter and memories help you heal one step at a time. I recently lost my own son and I truly know the power of prayer and support from close family and friends. Please know that you are in our entire family's thoughts and prayers. If there is ever anything that we can do in the days to come, let the people at Erlewein's know how we can contact you.  
Sincerely,
