“ I am so sorry for your loss. Unfortunatley I did not know April long, I met her at Great Clips. She was a wonderful person, always smiling. We talked alot about our daughters and it was obvious how much she loved Renee. April told me about going to Chicago and the American Girl store and how much she enjoyed the trip. I could tell how much she enjoyed spending time with family. She gave me good advice on my daughter, and also some camping tips! Even though I didn't know her long, she will be greatly missed. I hope you find comfort in each other and know that April touched many lives.

“ Jim, Debbie, Renee,
I am so sorry to hear about your loss. April was such a good and loving person and mother and we appreciated her friendship. My wife, Abby, and I are truly grateful that we were able to get to know her so well with our time working at Chicago's and also for her gracious wedding gift she gave us so we were able to go to Florida for our honeymoon. We will both be praying for you all and for your healing through this time. May you remember that the Lord is in control and He will be with you all through this. Please remember to pray to Him daily for strength and He will give it to you.

Many Blessing,
Curt Wallace

“ I just want to say that you will be missed more than you can know. You my wonderful friend are in a better place. I know how difficult your life has been but you always had nothing but good things to say. You will forever be an Angel in my heart.

Jim, Deb and Renee,

My deepest sympathy to the three of you and the rest of April's family. She truly is one of the beautiful people that we have rare occasion to meet in life and I am so happy that I could call her my friend, even if for only a brief time in my life. She had nothing but love and praise for you Jim. But most important of all to her was Renee, she was her heart!

We will miss her so.

With Much Love From Her "Adopted Family",

“ Dear Jim, Debbie, Chad and Renee;
I was very saddened when mom and dad called me with the news about April. I feel bad that I live so close now and never saw her. I do have fond memories of all of us playing on the farm and the old McWhinney house and will keep those close in my heart. Again, you have our condolences.
Love,
