“ Mitch, Nancy, Deedee, and Leo:

I hope knowing that Mammie's body and mind are once again whole and perfect gives you some peace while you are missing her right now.

2 things I will always remember about her: Her Euchre skills and her wonderful cooking. Not very long ago, John and I paired up against her and Pappy at a New Year's Eve party. I am telling you what, that woman looked like a sweet little old Grandma complete with hugs and kisses and then as soon as that game began, she was out for blood !!! We sure had a lot of fun that night.

Grandma's are such very special people... I know your heart will be hurting through this...know that the Nuckols' love you and are praying for you.
