“ As we remember the wonderful memories of Sister Evelyn and the family, our hearts are glad that she has made it to her reward and we are also sad that she is no longer with us! She was such a tremendous example of how to be faithful in the middle of chaos and turmoil. She was anchored in Jesus and that is what guided her safely home. Please know we would love to be there in person with each of you and will certainly be having special prayers for you! We love you!! From all the TRUMANS

“ Grandma,
You so blessed my life and the life of my family. It was you who took me to church. It was you who introduced me to Jesus. It was you who inspired me to be the woman that I am today. You showed me the love of Christ. You showed me how to be patient, kind and strict all at the same time. You taught me that requiring the best of someone was love. You showed me that discipline is only given when you care enough about someone to give it.
I will cherish you, your memory and your many many lessons for the rest of my life. Your legacy is being passed down, it was you who changed the direction of my family!
I'll love you and cherish you forever!
