“ Faye was the sweetest, most kind person...and so easy to laugh. My girls and I were so fond of her and looked forward to seeing her for dinner out at least once a year. Not often enough. My mom so enjoyed her visits after dad passed. And they both did jigsaw puzzles. Faye gave mom a big board to do her puzzles on...and she always did. An angel has left us. Rest in peace and blessings to her family.

“ Faye and I were close cousins all our life. She was like a sister to me. We had so many good times together and had a nice visit just last week. She was so sweet and cheerful all the time. I'm so glad we had that time together before she left us. It's so hard for me to accept. I can still hear her voice ringing in my home. Am thankful we had a good hug and an "I love you." on her last days. Will miss her so much. Rest in Peace, sweet girl.
