“ It is hard when a member of your class passes away. It is even harder when that classmate dedicated their life to public service as George did. We all knew him in high school as Andy and he was always happy and never had a bad word for anyone. I hope you rest in peace my friend, your watch is finally over.

“ I hired on with George in 1976 and remember speaking with him on several occasions. He was always personable and pleasant and, to me, always seemed to have a positive outlook on things we discussed. Rest well George. David
