“ I remember when I was 8 yrs old, living across the street from hazel. she and her husband were very sweet people. she always smiled and waved when we would be outside playing. I remember the barn and the house as if it were just yesterday and her sitting on her porch on a beautiful day. My heart felt sympathies to Beth Frey and the rest of the family. My god comfort you in your time of loss.

“ I met "Aunt Hazel" when attending my niece's baby shower for her first son, many years ago. "Aunt Hazel" was actually the aunt of Steve Strubbe, my niece Gina's husband, and Gina adopted her whole-heartedly! Aunt Hazel had that sweet personality that potentially made her "everyone's aunt." At the baby shower, I engaged in conversation with Aunt Hazel and commented on the lovely sweater that she was wearing. When she explained that not only had she made the sweater but that it was her own pattern, I asked if she would make one of her "originals" for my mother which she did and shipped to me. My mother enjoyed wearing it very much for many years.
Since that time, my mother has passed away (born in 1912) and now I realize that Aunt Hazel was just two years younger (born in 1914). What a wonderful and long life she had lived. I am now the proud wearer of the sweater made by Aunt Hazel, and will always remember so fondly meeting her for the first time. I send my deepest condolences to her family and the Strubbe family.
