“ Neil, I don’t know if you remember me being so long ago, but this is Pat Stevens and worked with Joy at HyTech Fluid Power when she was the receptionist. I remember you guys really liked Neal Young, and always laughing. I am so sorry to hear of Joy’s passing and loosing my wife in 2006, can feel some of the pain you are feeling now. Prayers for your grief and healing Neil.

“ “Miss Joy” will be missed. She taught 2 of my kids (one current) and they loved her. My daughter made sure to give her hugs almost everyday before we left. She was so sweet and we were honored to have her a part of our kids lives. Prayers to the family.

“ I'm gonna miss watching her highlights on fb. She worked very hard at all the necessary things moms and grandmas, and wives do, and she made time for fun. She packed alot into her short time. She is gonna leave a giant empty space in her inner circle.

“ I would like to send our condolences to the Bragdon family. I shared something with Joy and that was our sweet, adorable grandson Davis, who called both of us Nana. Joy loved her family very much and was so involved in their lives. I know Joy will still be with her family everyday . Rest In Peace Joy, and I know you will be loved and thought of everyday by your family .

“ I wish I made more of an effort to stay in touch with you. The memories I have of you, Neil the girls and your friends and family will always be with me. We all had some good times together! Rest easy, stay close to all of them. Any time I take a sip of peppermint schnapps I will think of you. Anytime I see flowers I will think of you. I am going to miss what was and could have been.

“ I've been thinking about you all so much. It feels so wrong and unbelievable for this to be happening now. I still remember seeing Joy in the halls of LC, such a cute little girl. Seems she always had a smile on her face. We love your family and hurt so badly for you. Our prayers will be with you all for a long time.
