“ I had the great pleasure of helping coach Peanut & Andy in little league. Peanut was about 8-years-old at the time and not much bigger than his bat, but he frequently surprised people with how well he could hit and run. We didn't win the championship that year but we had a lot of fun. Peanut was at the center of a lot of that fun. I cherish every memory. I will never forget his laugh, smile, and that seemingly ever-present look in his eye that let everyone know he was up to something. He was so much fun & had the wonderful gift of lifting others up through humor. Peanut, you touched a lot of lives. Well done young man. Enjoy your reward in Heaven. My heart aches for his family & friends. You remain in our thoughts and prayers. Trust that we will see our loved one's again!

“ I am so sorry for your tragic loss. I, too, have lost a son and I know your pain. You don't know me but you have my deepest condolences. Russell has his crop insurance with my brother, Jim Leonard, and that is how I found out about the loss of your beloved Justin. I live in Greenfield and if you ever need to talk with someone who has been through what you're going through, please have Russell let my brother know and I'll be there for you. I will keep you in my prayers. With sincere sympathy,

“ Love the memories of the boys play baseball together. Summers of swimming together. He was such a sweet, loving cutie! The best memory of Peanut was when he spending the night when he was little and kept bringing books on our laps to read to him. Melted my heart I'm so so sorry. May all of you find peace and comfort in all the great memories we all shared with him. He truly blessed a lot of people. Prayers and hugs sent. Love you Mandy, RW, Andy, and Shelby
