“ When I was an Intern at Partners in Housing, Ken took time to educate and talk to my fellow interns and myself about the Second Chances Law in Indiana. He provided me with his unique insight into the law, the impact it has and the power of Hope. He was always a gentleman, kind, considerate and thoughtful in his words.

“ I knew Ken for only two years as one of the Social Services staff at Linwood manor. In that time I grew to know Ken and a kind and generous person. Ken helped many of his fellow veterans while at Linwood. He helped them in many ways money could never have covered the costs. He had an infectious laugh and smile. Other veterans responded to Ken and would feel better when ever he laughed and joked around with his brothers.

Ken also would give any fellow veteran a ride to his or her appointments at the VA. He had so many blessings that he shared with others, even if it was for those without transportation Ken gave of himself. Ken assisted others in finding employment, helped around Linwood, had many wonderful things to say in groups that helped others. Ken would listen and be patient when others just wanted to talk. He will be greatly missed.

In honor or Ken, the veterans have lowered their American Flag to half staff. Our flag will remain at half staff until after Ken is interned. Ken you will be missed by all you touched.
