“ To Becky, and family, I am so sorry for your loss. May fond memories of your husband, father, and grandfather bring you comfort during this hard time in your life. Look back on all the good memories you were able to have, and smile at the fact that you were able to share these before he passed away. My heart and prayers go out to you, and your family.

“ I am truly sorry that I did not get to see Leslie, Aunt Dorothy, or Uncle John before they passed. I have been away so long. I want everyone to know I loved them all and hoped to see them one day. I have memories from each one of them. I remember delivering news papers for Leslie when he went on vacation a time or two. When we went to Westport I would always make three pit stops at Aunt Jeans, Aunt Ethiels and Janet Sues. I guess the last time I saw Leslie was when he lived in Shelbyville. You are all in my prayers. Billy

“ Kelly & Brooke, our thoughts and prayers are with your family in this time of sorrow. When I think of your Dad, I think of all the times we sat at the ball field, he always had a big smile on his face. He is at a better ball field now, shining down on his family.

“ I love you Dad! You were always there whenever anybody needed you and you never complained about anything! Riley will also miss you tremendously! You are such a loving and caring man and will be greatly missed! You were always at our sporting events and helped with my car and taking Riley to the vet and groomers, and even helping with my laundry! You have done so much for me over the years and I am so fortunate I got to call you Dad! I know the dogs up in heaven are excited to have you! You always loved all the dogs and they all love you! I will miss you so much! I love you so much Daddy!

“ I am deeply saddened by the loss you and your family have encountered. My heart goes out to you during this trying time. I will keep you and your family in my prayers in hopes they will find you all comfort. Losing a parent is hearbreaking but with time the pain will ease and the emptiness you once felt with be filled with all the wonderful memories you were lucky to have created with them. Hugs from Austin & I. I'm here if you need anything.
