“ Rita and Family,

Tears are a natural and healthy response to the loss of your loved one. You will not shed a single tear without God's comforting presence and healing power. God is always with us in every circumstance . . . He is with you now, watching over you. May it bring you comfort knowing you are in His loving care.

As one whom his mother comforteth, so will I comfort you; . . .
Isaiah 66:13

God Bless you and your family,
