Luci,

I will miss you but I know I will see you again in heaven. I know you are glad to be united with your family that has gone before you.

I will never forget you and all the long talks we had.

You were the sweetest and most giving lady I ever met.

Prayers and blessings to your wonderful children and family.

In loving memory of my friend,

Beth Langston

LUCI, I hope you know how much your son loved youHis friends knew this and loved and respected him for his dedication to you over the years. You raised him well because he turned out to be a loving, caring, husband and good dog daddy. He was very hard-working, interested in helping others and sharing his great sense of humor. You were a loving, wonderful mother and worked hard at helping your three children grow up and become good adults. You succeeded. You were a wonderful mother. Bless you in heaven. You were/are a much-loved lady. We honor, remember, and celebrate you now and always.

Judy, you can Rest In Peace now knowing your job on earth is complete. You raised your children to be the adults they are today. I can only speak for Dave; he is a kind, loving person that provides for his wife and his fur babies. He is loved by so many; he has a love and caring heart. He also has a comical side too. I don't know if anyone that doesn't like Dave. He has spoken of you several times and he loved you so very much. He is going to miss you so much. As well as your other two children. They are all thankful that you are not suffering now and we're so happy for the last days they had with you when they were able to talk and tell you just how much they loved you. Luci, go now and be with family and rejoice on the streets of Gold! You will see your children another day!! Diane
