“ I will always remember fondly the times we spent with the Faenzi family and their mom, Greta. I really appreciated Greta taking my mom, Ruth Holzer, on trips around the world and showing her places. I will keep her in my prayers and say a rosary for Greta and the family.

“ Dear Faenzi Family:
Please accept my sincere and heartfelt sympathy at the loss of your dear loved one, Greta. I have such fond memories of wonderful times and dinners shared in her home when those of us who would visit from Atlanta to attend Sigma Theta Tau Conventions in Indianapolis. Greta was such a wonderful hostess and I remember with great fondness the strong sense of family and the hospitality of this very kind and gracious woman! I loved to listen to her stories about Colts Football and family happenings. It was patently clear to everyone present of her unconditional love for her family! I want each one of you to know that I am keeping you in my prayers as you deal with this very difficult loss. May God Bless each one of you now and in the days to come.

Sincerely,
