“ Praying for all the family and remembering Aunt Rosie & Uncle Tommy’s visit a couple of years ago. I missed them so much. I have wonderful memories as a child with Aunt Rosie getting her big bags of Tuberware delivered made me so excited, Lin Christmas time and she would be so kind to allow me to play with a few things! Then there was the begging of spending the night with the girls and getting up at what seemed like the crack of dawn for church of Sunday. I must have been hard getting up because when I sometimes asked to stay I had to be reminded how early I had to get up if I stay so everyone could be on time for church. I believe those early beginnings in church is what brought me back to Jesus as a young adult. Those times Never left me. I was hoping to see Aunt Rosie again when I came up this summer... Much much love to Uncle Tommy, Keith, Beth, Scott and their families. I wish I could be there too!

“ I will always remember the fun times we had as kids! The best memory is when we moved to California and Rosalie rode out there with us!! We laughed until we hurt! I love you Rosalie! My prayers are with your family. Your cuz, Patti Dillinger Tyra

“ Mom, I know God has blessed you. And that he has a special place in heaven for you. It's going to be tough for many of us here on earth for a long time without your smile. I know that god has freed you from any pain. And that you are with grandma, grandpa & Amy and many of those who have gone before you. I will one day too reunite with all of you.

“ Condolences to the Rader Family. We were honored to meet "Rosie" on one of she and Toms' visits to Florida. Tom and I shared a common interest in working for International Harvester [Navistar] together for several years. Sincerely, Meredith and Joy Luther

“ I was very sorry to hear of Rosie's passing. We had many good times together in High School and as sister's in the STARZ. I will miss her cards at Christmas and at get-togethers. Please know that I am thinking of all of her family at this hard time.

“ Remembering “Aunt Rosie” from my childhood. Although we didn't see each other often, I remember her as the sweetest person I have ever known. Always soft spoken with a beautiful smile on her face. I last saw her at Amy's funeral, and her smile and disposition were just as sweet as I remember from many years ago. My sympathies and prayers go out to her loved ones, may they find peace and comfort in the loving memories they created over the years.
