

## Patricia McQueeney

December 16, 1936 - January 12, 2022

Greenfield, Indiana – Patricia Ellen (Kelly) McQueeney, age 85, of Greenfield, Indiana, was surrounded by family when she joined her Savior, Jesus Christ, and was reunited with her beloved husband, Jack, in Heaven on Wednesday, January 12, 2022. She was born on December 16, 1936, to Patrick and Olive (Hubert) Kelly in Tell City, Indiana.

Pat graduated from Maxwell High School in 1954 and attended Butler University. She was a member of the Psi Iota Xi Sorority for 21 years and attended the Catholic church her entire life. Pat was looking forward to celebrating her 62nd wedding anniversary to the love of her life and high school sweetheart, Jack McQueeney, on January 30.

After 30 years in the Warren Township School system where she was an Administrative Assistant to the Principal, Pat retired in 2009. She was known for her baking skills and could often be found delivering delicious baked goods to friends and acquaintances to let them know how much she cared. She loved watching sports and kept her own scorebook and stats at all of her sons' and grandchildren's activities. She was a master stain-remover who was always armed with a wet washcloth and never lost a fight with a stain. Pat may be remembered most for making the world's best chocolate chip cookies. She adored her grandchildren. Being a bammaw was her greatest privilege and joy. She had a servant's heart and even in her final hours, she was more concerned about her family than herself.

Pat is survived by her brother, Gene (Chris) Kelly; sons Kevin (Chris) McQueeney and Kent (Jill) McQueeney; grandchildren Weston (Jackie) McQueeney, Jaclyn McQueeney, and Anna McQueeney; and several nieces and nephews. She was preceded in death by her husband, Jack McQueeney; parents Patrick and Olive Kelly; and brothers Dennis and Larry Kelly.

Pat's loss will be felt deeply by the entire community. In lieu of flowers, please donate to Peyton's Promise, Inc at [peytonspromiseinc.org](http://peytonspromiseinc.org) or the Kenneth Butler Memorial Soup Kitchen. At Pat's request, there will be no funeral service. A celebration of life will be announced on a later date. Arrangements are being handled by Erlewein Mortuary &

Crematory in Greenfield.

Pat asked us to share her wishes that people love their families, practice their faith, and love God in all that they do daily.

“ Gene, Kevin, and Kent and families. We're so sad to hear of Patsy's passing, and so sorry that we can't express our sympathies in person because of Covid. We can confirm so well that Patsy and Jack's obituaries describe the type of person they were all their lives. Janice always felt that Patsy was like a big sister to her. Know that our thoughts and prayers are with you.

“ Pat and I both worked at Moorhead Elementary. She helped me with paperwork for KDG round up and registration every year. I remember she knew how to avoid getting the copier jammed. After we both retired I sometimes would run into her in Greenfield. Or talk with her at Moorhead Retired Luncheons. She would talk about her kids and grandkids and I know they meant the world to her. Pat was a lovely person. Prayers and peace to her family.

“ This was such a shock to us, not knowing they had even been sick. I used to call Pat, Patsy a lot, coming from our former years running around with Larry, who was my brother in law for several years. She was a big tease to him, remembering one incident where we went with Larry to his home and Patsy was there, and caught Larry at a mirror making sure he looked alright and Patsy looked into the mirror and said "who's the prettiest of them all" and said the answer was her, of course. I think they had a lot of fun in his teens, as she probably did it with Gene and Dennis as well. She was very dear to us. I was one of the lucky ones that got 2 cakes after a couple of surgeries. She also shared a birthday with my mother, who was Olive's (Ollie) friend. Our community will miss her terribly. Our condolences go to Kent, Jill, Anna, and Kevin, Chris, Weston, and Jaclyn, and the rest of the family. We send prayers for peace and comfort to the family.

“ My friend and neighbor Pat was a wonderful woman. Would see her most Sundays at St Michael church. She raised 2 great young men and gave back to her community and she is blessed to be going to heaven with her best friend Jack. Will miss seeing her on Sunday's.

“ McQueeney family,

So sorry to hear of the death of your mother, father, grandparents, siblings and family. We have known and respected Jack and Pat for many years. They enjoyed their family to the fullest. All the way from the sunken living room to helping Anna sew her 4-h projects and all the activities, everyone knew if the McQueeney's built it, everything was right. Pat was Keith's secretary in the Greenfield Central office. In our later years, we enjoyed the weekly domino group with them. We'll remember them with love and affection.
