“ We have so many special memories of Dick. We loved hearing about all the "adventures" he and my mom Nancey Howrey were having. When they looked at each other their eyes would sparkle. In their short time together they had so much fun and both of them enjoyed every minute. Dick really loved their dog Nellie and one of the last things Dick told mom before going to Heaven was that she would be fine and Nellie could have whatever she wanted. Dick will be missed so much and he and his family coming into our lives wad such a blessing. Much love from Kathi & Bill Vinson
