“ My thoughts and prayers go out to all of Sarah's family. Sarah and Bob loved all of their family so much. I can hardly remember a time speaking with them in later years where I did not get an update on all the kids and their activites. I have wonderful memories of times spent with Bob and Sarah growing up. They were such great friends to my parents. They offered so much support to Mom when Dad died and never left her side for the remainder of her life. To all of the family enjoy life and what it brings you. Hugs and love
