“ Was talking about him last night at dinner with my brother mike completely unaware of his passing. Reminiscing about our childhood and how we used to call him Barbie girl and he'd scare us with scary masks around Halloween. He's the reason we both have Harley motorcycles. Then today my brother was curious and looked him up and found out about his passing. So sad to here that.

“ We grew up together on Memory Lane. Attended Bryant, and Hadley together. The Schroeder's lived across the street from the Mundy's. We had the best neighbors and childhood growing up! My condolences to all of his family. Barbara (Hathaway) Rumsey.

“ Tammy, I 'm so sorry to hear of Scotty's passing. I had just tried to touch base with you all couple of weeks ago. I'm just in disbelief. Scott was differently bigger than life. Always loved his beautiful smile and his laughter. We had many of those back in the day when you all were still here in Wichita. Scotty and I went to Grade School together at Bryant, and Then, Hadley Jr. High in the 60's in our Orchard Hood. He will ,forever be missed.  
Sending Prayers and my condolences to you and your Family.

Sincerely,  
Trish Fair

“ I always looked forward to spending time with Scotty. A million dollar smile and laughter that was contagious. One of his finest qualities was his willingness to help his friends truly selfless. Scotty helped me on several occasions in my time of needs. I'm very sad that I could not return it back.  
My condolences to entire family.  
Scotty will be missed.  
Sincerely,  
Dan Larson.

“ Ohhh Tammy and family I am so sorry! I'm in shock and my heart hurts right along with you. Scott was truly a great guy! He was always smiling.... he was such a character in junior high and high school and he was always one of my favorite people in school. He just had such an amazing outlook on life. I really don't ever remember a time he wasn't smiling and his eyes weren't twinkling. I'm so thankful you guys were at our reunion! Hahaha.... he was so happy to see everyone and was his silly self. I have some great pictures. God bless you all..... I'm sending God's blessing in abundance to surround your entire family.  
With much love,

“ Scott was my Sundance Spas sales representative back in the mid eighties when the hot tub business was just getting started. He was one of the early guys that really got the industry up and running and then it took off like crazy.

I'll never forget the day he rolled in my parking lot with a bright red 911 turbo. He was closing deals left and right and I couldn't resist getting on board. His infectious laughter and smile made me not only a customer, but a great friend. The hot tub industry was full of shady reps that would turn on you without a second thought but Scott was always reliable and trustworthy. He cared about his friends and always put that out in front. He always had my back and our friendship grew over the years no matter where he went.

We both loved motorcycles and his passion for Harley Davidson bikes was always part of the ribbing he got from me because all of my race bikes were Japanese. I remember his visits with his trailer full of bikes on the way back from some event. He would always stop by if he was coming through town.

What a great picture of him, Tammy! Wonderful choice. That's just how I'll remember him.

My sincere condolences to Tammy and the family.

Rest in Peace, friend.

“ I would like to express my deepest sympathy to family and friends. May all of your good memories be greater than your sadness during this difficult time. (Isaiah 25:8)

“ I remember the night in Hershey Pennsylvania it was the last day of our RV show for camping world and we we had just ordered our dinner and were ready to watch the Colts play Sunday night football. Scott went limp and wasn't breathing. We weren't able to do the himelick on him so we laid him on the floor and we're trying to resuscitate him. I started to pray in the spirit and hit him in the chest and shouted YOU WILL LIVE AND NOT DIE. You could've heard pain drop when he coughed and started to breathe on his own. Scott would tell people I saved his life but it was all GOD My condolences go out to Tammy and all the Family.
