Friends may share a memory or condolence at <http://www.erleweinmortuary.com>.

In lieu of flowers, when you go out to eat buy some you do not know a meal and don't tell anyone about it, this will make you feel so good inside. Give your waiter or waitress a big tip, give the hostess who seats you a little tip and the person who cleans up after you. It makes you feel good deep down inside and it will make your heart feel so good. Remember, you can't take it with you when you leave, so give it away. It is more blessed to give than to receive. “ With deepest condolences to Kim, Donny and family! Thoughts and prayers are with everyone. It was fun hearing about his fishing trips and stories. Steve took mom and I out on his boat and he loved being on water. He enjoyed seeing people fish off his dock. Off the back of his house. He loved to fish. It was always in him.
