“ I had the pleasure of being Terry’s neighbor for many years we had of talks out side in the shade ,of just about everything.. he sure loved to mow and took pride in his lawn . He would always brag about his kids and proud he was of them . I will miss him but it’s not. Good by it’s until we meet again .

“ Terry will be dearly missed by many I'm sure. He was truly an amazing man. He took my daughter under his wing just like one of his own granddaughters. I will miss his contagious smile when he stopped in to see my dad. Absolutely unbelievable that the two of them gained their angel wings in the same year. RIP until we meet again and please give dad a big hug for us. We will always be there for Trudy. We truly love you !

“ I live on Osman Lane the street over from Terry and Trudy. I walk on their street as part of my exercise most every day. I began to wave at them a lot this summer and then I introduced myself and asked their names. What a wonderful friendship began. I looked forward to seeing them out in their chairs so I could stop and talk. We shared conversations about neighbors and families and truly enjoyed visiting. I was going to miss the warm weather so we could have our time together. Now I will miss Terry in another way. Trudy says she will sit in his chair this summer and I will sit by her and talk and talk. What a wonderful man Terry was and he dearly loved his wife. I will miss my friend as many others will.
