“ So sorry for your loss. Venita was a sweet beautiful friend . My husband Herb and I worked at Marsh with Tom Stark . The four of us played cards and went out to eat a few times together. The two men had worked at Marsh for 40years. They had a rewards dinner in Muncie . We went to it in a Limousine.I had won the prize on the radio. I will always remember that day. Venita and Tom were so excited and surprised when they picked us up at our house. May God Bless you all.

“ My dearest Venita....It's not easy to share a memory, in words, especially when they are stored in our heart. My memories of you are so vivid.... they make for the nicest part of my day. My dear friend, my neighbor and just an overall kind, sweet, fun, giving and lovely lady. We laughed, sometimes teared-up. walked our fur babies together, enjoyed sitting outdoors chatting and sharing fun stories about our families and our lives in general. We both loved to watch NASCAR RACING and she always let me know when a race was going to be on. I think she was gracefully letting me know her agenda. Kinda like putting out the "Do Not Disturb" sign. Gotta love it! The greatest memory of Venita, for me, is simply having great memories to remember...kinda like short stories. I miss her and am blessed to have had you as my friend. Love You...Beverly
