“ To Mick's Family - I own the hair salon in the Ameristor complex where Mick worked, and all the girls and I were so sorry to hear of his passing. I've been there for four years, and he's always been very kind and helpful. We enjoyed working with him and will miss having him there. Sending you all our condolences.

“ My brother Mick, the Patriarch of our family. Like our dad, Mick was the most generous and kindest man I know. Also like dad, Mick never had a bad thing to say about anyone.

I am 10 years younger and remember things he did for me at an early age. When I was 11, he drove myself and my other 3 brothers to the Smokey Mountains for a camping trip. When he attended Cincinnati University, he took me to several Cincinnati Royal games. When I was 16, he drove us out to Boulder Colorado for a Coors beer haul. The first time I was introduced to tacos and a few Coors beers. We camped (in the car) in the Rocky Mountain National Park. While he was living in Indianapolis, my brother Mark and I drove up several times from Rushville and he took us to Pacers games at the Coliseum. He was with me when my son Patrick was born. There were all the Cincinnati Reds weekend trips that we made over many years. And as a side note, Mick was the 2nd best basketball shooter (honors to Butch Bartlet) at Rushville City Park. I don't think I ever beat him in a game of horse. And there were the times when all five brothers would play Home Run Derby, which Mick always won. So many memories, so many great times. And for that Mick, I thank you from the bottom of my heart.

Mick, you were always there, always a big part of my life and so many other lives. Your generosity and kindness will never be forgotten. I miss you now and will miss you for the rest of my lifetime. But, my memory of you will never cease.

“ I really don't remember a time when I didn't know Mick Mullins. My mother, Viola O'Neil, and Florence and Shirley, Mick's parents. Somewhere there are pictures of Mick and me on my grandparents' front porch on Perkins Street in Rushville before we were old enough to go to school. To Jean and the kids, my sympathies. Mick was one of the "good guys," but I don't need to tell you that; you already know.

“ My grandfather was always at everyone’s beck and call. You could count on him to be at every performance, football game, and competition. He was always there when you needed anything, whether that be a dozen eggs at the grocery store or a ride home from school. He was a great man and an even better grandfather. I’m gonna miss you grandpa. Fly high. -Caleb Mullins
