“ Dear Sharon and family of Lee,

I was a grade school and high school classmate of Lee's. All of my memories of Lee center around athletics. I remember collecting baseball cards as a young girl and talking with Lee about the cards we had. I remember playing basketball with him and others in Mike Kirby's back yard when we were still preteens. Then in high school, Lee was a star player in football, basketball, baseball, and track. I think many of us girls had crushes on him. Unfortunately, I didn't see Lee after high school but always wondered how he was doing.

I sent Lee a note when I heard that he was in hospice. The letter was returned unopened. I was sorry not to be able to say goodbye to him.

Sharon, my sympathy to you and to Lee's family,

Ann Hoyt Kightlinger

“ Lee was my best friend's sister. The greatest compliment he gave me was to treat me like his little sister. There is a place in my heart where he will always dwell. Rest in peace Lee.

“ Lee and I did many things together growing up. As a youth, perhaps the most memorable was trading baseball cards and playing quite competitive games with them by rolling dice. We made our own rules. Lee eventually bought all my cards. He was a great guy.
